	QUESTION	ANSWER
1.	Whether Eskom has prescribed/estimated quantities of hours to be used for Items 2.1, 2.2 and 2.3 when calculating the tendered Amounts; or Whether tenderers are required to determine and price their own estimated hours for the five-year contract period.	Please provide the rate. A revised Copy of NEC3 - Term Service Contract uploaded with "the Correct Format of the Price List". This is under C2.2 "The Price List"
2.	With regard to Item 3.1 – Standby Allowance, please confirm whether tenderers are required to determine their own standby percentage, as the Price List refers to a percentage of the Labour Normal Time Cost but does not specify the applicable percentage	Standby allowance (5% of the Labour Normal Time Cost above "item 2.1") – Refer to Nec
3.	Please also confirm whether the tendered Amounts are required to represent the estimated five-year value for each applicable Price List item	A revised Copy of NEC3 - Term Service Contract uploaded with "the Correct Format of the Price List". This is under C2.2 "The Price List"
4.	Kindly clarify if on the experience we can put any experience for Human Resources even if it is not related to Lubrication or it has to be related to Lubrication only.	It can be any experience. This is not a complex project.
