**Re: Notification to amend the tender pack for
GT/GDSD/013/2026**

1. Purpose

To publish a notification for the tender GT/GDSD/013/2026 Manufacturing, Supply and Delivery of School Uniform to Identified schools in Gauteng.

2. Background

The tender was advertised on 21 August 2026, and a compulsory briefing session was held on 27 August 2026 and at the meeting the bidders were notified of the insertion of section 2.

The tender pack initially had only section 1 however, we have included section 2. On section 2, we have included SBD 3.2 for non-firm prices to completed by bidder for future price adjustment requests and SBD 6.1 for bidders to claim points for specific goals.

3. Recommendation

It is therefore recommended that a notification be published to include section 2 on tender GT/GDSD/013/2026.
