6	Ricoh Toner	Please ignore; item will not be procured																							
7	Bid Submission Method	Please refer to the ITB documentation																							
8	Financial Proposal Currency	Bidders wishing to submit their offers in USD may do so, noting that the quotation should be on DAP WHO Office Abuja terms. WHO will use the prevailing internal exchange rate of the USD to Naira to convert such offers, to facilitate comparison with the other proposals received. The purchase order would thereafter be issued in the currency indicated in the financial proposal.

9	Evaluation process	The evaluation process will be done per category of supplies, as listed in the Worksheets. While the price per page may be considered as one of the factors in assessing cost effectiveness, the award decision will not be based solely on this criterion. Other factors include compliance with the technical specifications, product quality, reliability, and the requirement for genuine/original manufacturer consumables (OEM) where specified.
