BID BULLETIN

AMENDMENT NO. 1

INVITATION TO BID FOR

**“WASH Sector Water Supply System Rehabilitation in Jebal Moya” ITB SCU-
AFDB-2026 -033**

CLARIFICATIONS TO ITB DOCUMENTS

16-September-2026

This Bid Bulletin (No. 033-01) is issued to reply to the clarification requests provided by the potential bidders to the ITB for the above-mentioned service, issued and published on 31 August 2026.

A. Responses to the Bidders on some inquiries and clarifications:

QUESTION	ANSWER
Question 1. We note that certain BOQ items refer to Saudi-manufactured PPR pipes. Could you kindly confirm whether TECHNO PPR – Made in Oman may be proposed as an approved equivalent, subject to compliance with the required technical specifications and submission of the relevant technical datasheets, certificates, and material samples for the Engineer’s review and approval?	Answer 1. The Vendor has not identified any specific item in the BOQ stating that the PPR pipes must be manufactured in Saudi Arabia. However, the country of manufacture is not the primary criterion for evaluation. TECHNO PPR pipes, whether manufactured in Oman, Saudi Arabia, or any other country, are acceptable provided that they fully comply with the specified technical requirements and project specifications, including the required pressure rating, wall thickness, and material quality.
